

ማስታወቂያ

ለአዲስ የ2ኛ ዲግሪ ተከታታይ /Extension/ የግል ትምህርት አመልካቾች በሙሉ

ደብረ ማርቆስ ዩኒቨርስቲ በ2014 ዓ/ም በዋናው ካምፓስ በማስተርስ ዲግሪ ተከታታይ /Extension/ ቅዳሜና እሁድ ፕሮግራም ከዚህ በታች በተዘረዘሩት የትምህርት መስኮች አዲስ የግል አመልካቾችን ተቀብሎ ማስተማር ይፈልጋል።

College of Natural and Computational Sciences

1. **Ecological and Systematic Zoology (Biology)**
2. **Applied Entomology (Biology)**
3. **Biomedical Science**
4. **Chemistry(organic, Inorganic, Analytical, Physical)**
5. **Physics(Atmospheric, Nuclear, Statistical, Solid)**
6. **Health and fitness**
7. **Football coaching**
8. **MED in Physical Education**
9. **Botanical science**
10. **Mathematics(Algebra, Differential)**

College of Social Sciences and Humanities

11. **Teaching English as a Foreign Language**
12. **Litrature (English)**
13. **General Linguistics (English)**
14. **Applied linguistics in Teaching Amharic**
15. **Environment and Land Resource Management**
16. **History**
17. **Political Science**
18. **Foalklore/Amharic**
19. **Peace and conflict study**
20. **Civics and ethical Education**
21. **MA in Sociology**

Institute of Education & Behavioral Science

Institute of Technology

47. **Hydraulic engineering**
48. **Computer engineering**
49. **Electric power system Engineering**
50. **Industrial Engineering**
51. **Information Tecnology**

22. **Developmental Psychology**
23. **Early childhood care & Education**
24. **Curriculum & Instruction**
25. **Special Needs and Inclusive Education**

College of Business and Economics

26. **Accounting and Finance**
27. **Project Planning and Management**
28. **Development Economics**
29. **MBA/Masters of business Administration/**

College of Agriculture and Natural Resource

30. **Animal Production**
31. **Animal Nutrition and Feed Processing**
32. **Plant Breeding**
33. **Agronomy**
34. **Integrated watershed management**
35. **Agriculturale Economics**
36. **Enviromental Science**
37. **Soil Science**
38. **Horticulture**
39. **Plant Protection**
40. **Rural Development**
41. **Agricultural Entomology**

College of Health Science

42. **General Master of Public health**
43. **MPH in Epidemiology**
44. **MPH in RH**
45. **MPH in Nutrition**

Law

46. **Investment and Business law**

ለማመልከቻ የሚቀርቡ ማስረጃዎች

1. የመጀመሪያ ዲግሪ ትምህርት ማስረጃ፡- ሰርቲፊኬት፣ Student copy. የማመልከቻ የክፍያ ደረሰኝ (የአመልካቹ ስም የተጻፈበት) ዋናውንና ፎቶ ኮፒ ከአንድ ክላሴር ጋር፡
2. የማመልከቻ ክፍያ ብር 200.00/ሁለት መቶ ብር ብቻ/ በኢትዮጵያ ንግድ ባንክ ደ/ማርቆስ ዩኒቨርስቲ አካውንት 1000017980517 የተከፈለ፣
3. የማመልከቻ ፎርም ከዩኒቨርስቲው ማግኘት ይቻላል፡፡
4. አመልካቾች የመግቢያ ፈተናውን አልፈው ለምዝገባ መመረጣቸው ሲገለጹ ቀደም ከተማሩበት ተቋም አፈሻል ትራንስክርቢት ማስላክ ይጠበቅባቸዋል፣ ማስረጃዎች ሃርድ ኮፒ ለሪጅስትራር ይቀርባሉ፡፡
5. የማመልከቻ ጊዜና ቦታ ከ መስከረም 05 እስከ መስከረም 30/2014 ዓ/ም ባሉት የስራ ቀናት
6. የመግቢያ ፈተና የሚሰጥበት ----- ጥቅምት 6 ና 7 / 2014 ዓ.ም
7. የምዝገባ ቀን ----- ጥቅምት 13 -14 / 2014 ዓ.ም
8. ትምህርት የሚጀመርበት ቀን ----- በውስጥ ማስታወቂያ ይገለጻል

ማሳሰቢያ

1. ለማመልከት ሁለት አማራጮችን መጠቀም የሚቻል ሲሆን ፡ በአካል ለማመልከት ከተራቁጥር 1-3 የተዘረዘሩትን ማስረጃዎች ይዞ ሪጅስትራር በመቅረብ ማመልከት ይቻላል፡
2. በOnline ለማመልከት በዩኒቨርስቲው ዋብ ሳይት/ድህረ-ገጽ /www.dmu.edu.et ከገቡ በኋላ “APPLY” የሚለውን በመጫን የማመልከቻ ፎርምን ና አስፈላጊ መረጃዎችን በመሙላት ማመልከት ይቻላል፡፡

ደ/ማርቆስ ዩኒቨርስቲ ድህረ ምረቃ ኮሌጅ

Admission Requirement for the Masters Programs

- 1. Ecological and Systematic Zoology (Biology)**
 - BSc or B.Ed. degree in Biology
- 2. Applied Entomology (Biology)**
 - BSc /B.Ed Degree in Biology & related disciplines (Such as plant protection & veterinary medicine)
- 3. Botanical Science**
 - MSc/Bed in Biological Science and related fields
- 4. Biomedical Sciences**
 - BSc Degree in Biological science, DVM in Veterinary science
- 5. Mathematics**
 - BSc. /B.Ed. Degree in Mathematics.
- 6. Physics**
 - *BSC /B.Ed degree in Physics*
- 7. Chemistry**
 - B.Sc Degree in applied Chemistry, B.Ed. Degree in Chemistry, B.Sc Degree in Chemistry and B.Sc. Degree in Industrial Chemistry
- 8. Teaching English as Foreign Language (TEFL)**
 - B.Ed. in English Language Teaching, B.A in English Linguistics and literature ,
In addition, First degree in:-In Educational Psychology, Curriculum & pedagogical Science, Amharic and other local languages
- 9. Literature (English)**
 - First degree in:- Amharic Language and Literature, Oromo Language and Literature, Tigre Language and Literature, Journalism and communications , Social Anthropology, Theology, History and other fields of social science & humanities
- 10. Linguistics (English)**
 - BA Degree in Linguistics, Foreign Languages and Literature, Ethiopian Languages & Literature, Journalism and communication other related social science fields who took languages as minor can join the program and social anthropology, sociology and History
- 11. Environment and land resource Management**
 - First degree in:- Geography and Environmental studies, Development and environmental management studies, Natural Resource Management
- 12. MA in History**
 - BA/Bed in History and heritage management and related fields
- 13. Political Science**
 - Hold a Bachelor degree in political science and international relations, a minor in political science, civics and ethical Studies, governance and development studies, public administration and other related fields
- 14. Applied linguistics in Teaching Amharic**
 - BA/B.Ed degree in teaching Amharic, Ethiopian Languages and Literature, English major and Amharic Minor, and Pedagogical Science Composite Amharic (Pedagogical Science-Amharic).
- 15. Developmental Psychology**
 - BA/BSc in Psychology, Sociology or related fields and Bachelor Degree from Teacher Training Colleges (with adequate courses in Developmental, Educational or general Psychology).
- 16. Early childhood care & Education**
 - BA, BSC or BED in early childhood education, pedagogy, maternal and child health psychology, special needs education, sociology, nursing, public health, midwifery, social work or other equivalent studies attested by MoE.

17. Curriculum & Instruction

- Should have a Bachelor's degree in education from an accredited university. Regardless of their undergraduate background, PGDT and PGDSL graduates can apply to the program.

18. Special needs and include education

- BA Degree in Special needs and inclusive education, Psychology, Sociology & BA degree in social science

19. Development Economics

- Those with BA/BSc in Economics, Agricultural Economics, or other closely related fields; and those who have taken core courses (Microeconomics, Macroeconomics, and Mathematical Economics/Calculus).

20. Accounting and Finance

- First degree in accounting, Banking and Finance, Banking and insurance, Cooperative accounting, Business management, Business education with specialization in accounting or Banking or insurance.

21. Master of Business Administration/MBA/

- Bachelor Degree in any fields.

22. Project Planning and Management/PPM/

- Bachelor Degree in any fields.

23. Agricultural Economics

- BSc degree in Agricultural Economics, Resource Economics, Economics, Agribusiness and value chain,

24. Soil science

- B.sc degree in crop science, plant science, Crop production and protection, dry land crop and horticulture science, Natural resource management, Horticulture, Forestry

25. Animal Production

First degree in: - Animal Science, Biology, Food Science from accredited higher learning institution.

26. Plant Breeding

- BSc degree in plant/Crop science, horticulture biological sciences & Biotechnology.

27. Plant protection

- B.sc degree in crop science, plant science, Crop production and protection, dry land crop and horticulture science, Sugar agronomy, Plant biotechnology, Horticulture, Forestry

28. Environmental Science

- BSc degree in Biology, Geology, Geography and Environmental Studies, Environmental Sciences, Plant science, Forestry, Land resource management and Environmental Protection, Natural Resource Management, Water resource, Soil and Watershed Management, Soil science, Soil and water management, Agroforestry, geography, Soil and water conservation, Watershed Management, Natural resource Economics, Agricultural Economics, Agricultural Engineering, Plant science.

29. Agronomy

- First degree in: - Plant/Crop Science, Irrigation engineering, Horticulture, Biological Science or Other related fields

30. Animal Nutrition and Feed Processing

- First degree in: - Animal Science, Biology, Bio-Chemistry, Food science or other Related fields

31. Integrated watershed management

- BSc degree in natural resource management, plant science, forestry and Agroforestry and related fields

32. Horticulture

- BSc degree in Horticulture, plant science, Plant Science, Crop Production, Crop Production and Protection.

33. General Master of Public Health (MPH)

- First degree in: - Public Health /Health officer, Medicine of paramedical fields
Pharmacy, Veterinary medicine, Biology, Sociology, Statistics, Psychology, Economics & Management.

34. MPH in Epidemiology

- First degree in public health /health officer, medicine or paramedical fields, pharmacy and health related fields

35. MSc in Maternity and reproductive health nursing

- First degree in nursing, midwifery and related fields

36. Investment Law and Governance (LLM)

- Candidates must hold an undergraduate degree in law, LLB degree, degree in governance and those from development studies

37. Msc. In Hydraulic Engineering

- MSc in Hydraulic water Engendering, Irrigation Engineering, Civil Engineering, and Agricultural Engineering related fields.

38. Computer Engineering

- BSc degree in computer engineering, Electrical and computer engineering, Computer science, Computer science and engineering.

39. Information Technology

- BSc in Information Technology, Computer Science and related fields.

40. Industrial Engineering

Applicants who have a B.Sc. degree in mechanical engineering, manufacturing engineering, production engineering, textile engineering, industrial engineering, industrial design, system engineering, Industrial Chemical Engineering, Mechatronics Engineering, Electro-Mechanical Engineering, can get admissions to the MSc program directly. However, applicants who are not from shortlisted backgrounds may get admission to the program after a detailed investigation of their student copy with regard to the basic courses of Industrial Engineering. The eligibility of such applicants will be ruled by the institute/university. In addition, all applicants should meet the admission requirements of the Graduate Studies of DMU

41. Project Planning and Management

Those with BA/BSc in any field of study with minimum Cumulative Grade Point Average (CGPA) of 2.00 are eligible to apply to join the program.

42. Peace and Conflict Studies

Applicants to this program are individuals who completed their first degree, preferably in the field of Social Science (Peace, Governance, Political Science and International Relations, Development Studies, Law, Psychology, Anthropology, Social Work, Philosophy, History, Civic, and Ethical Studies, Sociology, Management, Economics, and Public Administration). Their 1st degree CGPA should be a minimum of 2.0 and equivalents. Applicants for this program should also satisfactorily pass an entrance exam to be administered by the department. Moreover, applicants either shall attach institutional support/sponsorship letters with a completed application form or should be able to finance their studies. Finally, admission into this Program shall get the approval of the Department Council (DC) and shall be implemented per the University's Academy's legislation.

43. Folklore

Applicants to the M.A program in Folklore are B.A degree in folklore and/or in one of the interdisciplinary fields of study in the social sciences or humanities such as Ethiopian Languages and Literature - Amharic, Gə'əz, Afan Oromo, Tigrigna, Linguistics, Theatre Arts, Journalism, Foreign Languages and Literature, Sociology, Social Anthropology, Linguistics, Music, History, Heritage management, and the like can apply the program.

44. Agricultural Entomology

Applicants must have Bachelor of Science or Art degree, plant science, horticulture, biology and other related fields.

45. Rural Development

Applicants must have Bachelor of Science or Art degree from well recognized university or academic institution in the field of agriculture, rural development, development studies, rural development and agricultural extension, agricultural economics, gender and development studies, agri-business, economics, management, cooperative management, sociology, social work, disaster risk , management, natural resource management, agricultural marketing, soil and water , management, watershed management and other related fields.

46. Civics and Ethical Education

Applicants to this program are individuals who completed their first degree, preferably in the field of Social Science (Peace, Governance, Political Science and International Relations, Development Studies, Law, Psychology, Anthropology, Social Work, Philosophy, History, geography, Civic, and Ethical Studies, Sociology, Management, and Public Administration and other related fields). Their 1st degree CGPA should be a minimum of 2.0 and equivalents.

47. Investment and business law

Admission requirement:-Bachelor of laws (LL.B)\- In order to be considered for admission to the programme, candidates must hold an undergraduate degree in law, LLB degree.

48. MA in Sociology

BA degree or above in Sociology, Sociology and its composites (Such as; Sociology and Social Anthropology, Sociology and Social policy, Sociology and Family Studies etc.), Social Anthropology, Social Work, Gender studies, Cultural studies, Family studies, Criminology, Development Studies, rural development, Demography, public administration, political science, Psychology, Philosophy, public health, Conflict and Peace Studies, Cultural geography, Law, and Educational planning and management
